[How To Update Dreambox Channels Scrambled](#)

The youtube vod and astro radio channel works Any suggestion? Update to latest firmware? Current is 27mar13. How To Update Dreambox Channels Scrambled On ComcastLeader Board Loading Today Pts Helpful I. How To Update Dreambox Channels Scrambled On ComcastI have done everything with and without the usb and my sky channels are all still scrambled mine in the v8s. 200 73% Loading this Week Pts Helpful I 200 97% Loading this Month Pts Helpful I. My openbox s5 give me scrambled channel Followed the video video on youtube still does not work.

Upgraded to this from dreambox 500s Openbox V8s, load fine, update channels, full egg painthead melted. Appreciate your help
